

Mini-Grants

Community Cradle is a community-based organization located in Albany, New York. Our goal is to improve the health and well being of girls, women and families.

To further our goal, Community Cradle would like to provide financial assistance to new or existing support groups for women or girls so that they can enhance their efforts.

Awards will range from \$100 - \$300. We anticipate a minimum of ten awards will be given.

Since you know your clients best, you know what will benefit them the most. Creativity in your proposed use of the funds is appreciated and encouraged.

Here are some suggestions:

- Hiring an art or music therapist to provide a one-time program
- Hiring an energy or touch professional (i.e. massage, Reiki) to provide a one-time program
- Hiring an aromatherapist to provide a one-time program
- Purchase of workbooks for group members
- Sending the facilitator to training

Reporting requirements: A one page report (form provided) must be completed and all receipts must be submitted. Payment will be made upon receipt of report and documentation of expenditures.
